

MARKING WITHOUT TRANSPORT POINTS

BY SPECIAL SOLUTION
TO STANDARD

OUR STOCK ITEM

NEW DESIGN POSSIBILITIES

Discover new design possibilities without the use of transportation points.

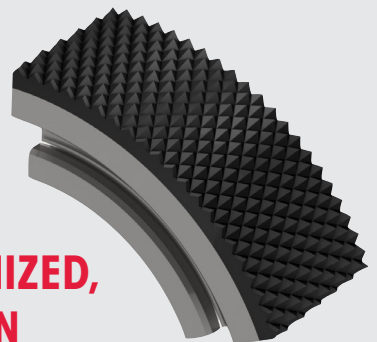

ONE WORK STEP

With a vulcanized starting segment, you can save yourself any subsequent cut-off work.

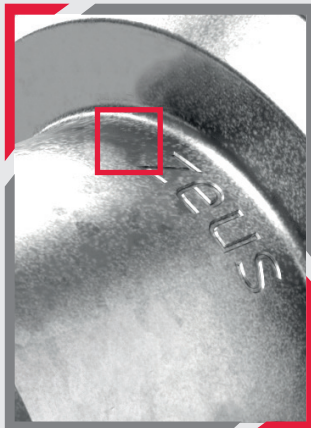

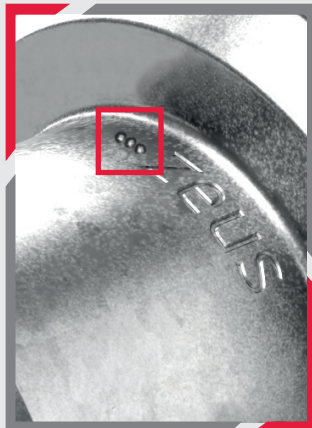

MAX. SATISFACTION

Due to high demand, the former special start segment is now a standard item and available from stock.

ALSO PROCESS-OPTIMIZED, A CUSTOMIZED DESIGN

What was once a special segment has now become standard at Hommel+Keller thanks to high demand. Our products are available from stock at exactly the right time and at any time. You can easily have your products labeled with our vulcanized starter segment without having to take the detour via transport points.
